When you rent one of our 6x4 steel tippers look for the QR code sticker in the windscreen.

Once scanned you will be able to watch our familiarisation video on these trucks which will take you through all the unique features you need to know about these units.

6x4 STEEL TIPPER

Fuso & Isuzu models, 460 - 510hp, HPMV capable, super single steer tyre option, auto & manual transmissions, 12m³ Hardox bin, dual swing tail door. Options include body tie down points, front to back tarpaulin, roller spreader attachments, 50mm or 40mm tow coupling. Approx payload 11000 - 12000kg.

6x4 ALLOY TIPPER

European models, HPMV capable, auto transmission, 18m³ alloy bin, sealed tail door. Options include roll over & elliptical tarpaulins, grain door, 50mm or 40mm tow coupling. Approx payload 11000 - 12000kg.

8x4 ALLOY TIPPER

European models, HPMV capable, auto & manual transmissions, 25m³ alloy bin, sealed tail door. Options include roll over & elliptical tarpaulins, grain door, 50mm or 40mm tow coupling. Approx payload 13500kg.

4x2 TIPPER CLASS 1

Can be driven on car licence. Auto & manual transmissions, dual swing tail door, 2m³ bin capacity. Approx payload 2500kg.

4x2 TIPPER TOOLBOX CLASS 2

Auto & manual transmissions, dual swing tail door, drop side tipping deck, roller door toolbox, H-frames, 2m³ bin capacity. Approx payload 4000kg.

4x2 TIPPER TOOLBOX CLASS 1

Can be driven on car licence. Auto & manual transmissions, roller door toolbox, dual swing tail door, 2m³ bin capacity. Approx payload 2500kg.

4x2 CREWCAB TIPPER CLASS 2

Auto & manual transmissions, dual swing tail door, drop side tipping deck, roller door toolbox, H-frames, 2m³ bin capacity. Approx payload 4000kg.

4x2 HYBRID TIPPER CLASS 2

Auto transmission, dual swing tail door, drop side tipping deck, H-frames, roller door toolbox, invertor, 2.5m³ bin capacity. Approx payload 4000kg.

Hybrid Power. Lower Emissions.

4x2 7-TONNE TIPPER

Auto transmission, 7m³ Hardox bin, dual swing tail door, internal body tie down points, front to back tarpaulin, 50mm or 40mm tow coupling. Approx payload 7000kg.

4x2 TIPPER CLASS 2

Auto & manual transmission, dual swing tail doors, drop side tipping deck, option of rear cabinet locker, 3m³ bin capacity. Approx payload 4500kg.

8x4 DROPSIDE TIPPER

European models, HPMV capable, auto transmission, 7.4m tipping deck, alloy three-piece sides, rear top hinged tail door, grain door, tarpaulin, 50mm or 40mm tow coupling. Approx payload 13500kg.

4 AXLE PULL STEEL

11m Trailers, 18m³ Hardox bins, dual swing tail door & top hinged safe lift options, spreading chains, tarpaulin options, 50mm & 40mm tow eye options, EBS equipped. Tare 6700kg.

4 AXLE PULL DROPSIDE SPLIT TIPPER

11m Trailer, 9m overall deck with 7.4m tipping section, alloy three piece sides, rear top hinged tail door, grain door option, spreading chains, tarpaulin, twist locks, 50mm tow eye, EBS equipped. Tare 6700kg.

5 AXLE PULL STEEL SHORT

12.76m Trailer, HPMV capable, 22m³ capacity, 7.75m Hardox bin, dual swing tail door, front to back tarpaulin, spreading chains, 50mm tow eye, EBS equipped. Tare 8200kg.

2 AXLE STEEL SEMI TIPULATOR

7.5m Trailer, 21m³ capacity, 7.5m Hardox bin, top hinge safe lift rear tail door, tarpaulin options, EBS equipped. Tare 6800kg.

4 AXLE PULL ALLOY

11.45m Trailer, HPMV capable, 28m³ capacity, 7.25m alloy bin, top swing tail gate, elliptical tarpaulin, sealed tail door, grain door, grain locks, offal locks, spreading chains, 50mm tow eye, EBS equipped. Tare 6200kg.

4 AXLE PULL BOTTOM DUMPER

11m Trailer, 17m³ Hardox bin, 4 opening underslung doors, electric over pneumatic, operated with an in-cab remote, 50mm & 40mm tow eye options, EBS equipped. Tare 5850kg.

5 AXLE PULL ALLOY SHORT & LONG

12.875 - 13.5m Trailers, HPMV capable, 32 - 34m³ capacity, 7.7 - 8.4m alloy bins, top swing tail gate, elliptical tarpaulin, sealed tail door, grain door, grain locks, offal locks, 50mm tow eye, EBS equipped. Tare 7100 - 7400kg.

3 AXLE SEMI BOTTOM DUMPER

11.3m Trailer, 18m³ Hardox bin, 4 underslung opening doors, electric over pneumatic, operated with an in-cab remote, EBS options. Tare 5200kg.

Why rent a heavy vehicle from TR?

You get flexibility and choice every single time you deal with us. Whatever you need, renting a truck or trailer from TR Group is simple and easy. We'll work hard to give you the flexibility and choice that you need. **Here are 6 benefits of renting with TR:**

Range to suit your needs

With over 120 categories and 1,500 trucks and trailers available – we have the heavy commercial vehicle solution for any project.

From 1 Day to 12 Months or More

Your contract can start with 1 day or whatever works for you. When you're finished, simply return the vehicle and come back when you need it again. Rental allows you to easily adjust the size of your fleet as demand peaks and flows throughout the year for your business.

Modern, Safe, Fuel-Efficient Trucks & Trailers

We're constantly updating our rental fleet to offer the latest specification equipment with market leading safety, technology, the lowest fuel consumption, and class-leading tare weights and payloads.

Flexibility and Choice

Our team will work hard to understand your requirements and provide a solution that will meet your needs.

You're covered 24/7/365

Any gear that you rent from us is backed 24 hours a day, 7 days a week by our Maintenance and Rental Team.

Available Nationwide

Our rental equipment is conveniently available nationwide from our 8 rental branches.

Rentals allow customers flexibility to set their core fleet more efficiently.

Renting from TR Group is an effective & simple way of meeting short-term needs and fluctuating fleet requirements without the risks and long-term costs associated with ownership. It can improve fleet utilisation providing capacity where and when you need it.

With TR Group, you get flexibility and choice.

- Our team will work hard to understand your requirements and provide a solution that will meet your needs.
- Vehicles will most commonly remain in TR Group's livery, but our rentals can be painted or wrapped in your company colours should you wish.
- To make things as simple as possible for you, your monthly rental bill includes tyres and Road User Charges.
